

MANY CONTESTS FOR VARIOUS OFFICES

Defeated Candidates See The Hand Of The Ring

PRESCOTT TAKES THE GOOD JOBS AND GIVES THE COUNTRY THE HUSKS

From Wednesday's Daily

DEMOCRATIC TICKET.	
Councilman	M. G. Burns
Representatives	A. A. Moore
	Perry Hall
	Charles Lynch
Sheriff	Wm. Neagle
Treasurer	A. J. Herndon
Recorder	Theo. Wade
District Attorney	H. D. Ross
Probate Judge	C. P. Hicks
School Superintendent	J. B. Jolly
Surveyor	P. W. Latimer
Supervisors	J. W. Stewart
	J. C. Stephens

In a prolonged session that lasted until after 6 o'clock, the Democrats of Yavapai county nominated a ticket that developed contests for nearly every office and left many sore spots. In nearly every contest the "ring" candidate won as it did two years ago, and this domination was evident in the supervisory race for which there were ten entries. Recognition was refused the Verde valley, the south end of the county, or any outside precinct, the two successful nominees both being residents of Prescott. In fact, Prescott grabbed all of the important offices, giving only the legislative ticket and the recorder to the outside. Opinion on the street last night was that the ticket as a whole is weak and is certainly doomed to defeat, for the voters of Yavapai county are an independent class of citizens and are disposed to pick the best men upon whom to bestow their suffrages, regardless of party affiliation.

When the convention assembled at the Elks' Theater at 10 o'clock, the stage was tastefully decorated with American flags and with portraits of the standard bearers of the party. Chairman J. H. Robinson rapped the gavel that called the assemblage to order and Secretary Hicks read the official call, after which M. G. Burns nominated Reese M. Ling for temporary chairman, the motion being seconded by A. J. McPhee and Mike Enright. Nominations were ordered closed and being gloried by acclamation, Mr. Ling mounted the stage and expressed his intense delight over the honor of presiding over such a convention. He thought Democrats had good reasons to congratulate themselves as being under the leadership of the greatest man the country had ever produced (applause). He was shocked at the idea of the president naming his residuary legate and declared the Republicans were on the run and were in a state of great alarm. As to the Republican nominee for delegate, the speaker said: "We know he is already selected for we see it in the Journal-Miner every morning. Thank God, the Democrats of Yavapai County don't have to take their inspiration from the Journal-Miner," but the facetious chairman neglected to state from what source the Democratic inspiration came. He then read a dispatch which stated that 1048 votes were cast at the Democratic primary at Bisbee and only 167 votes polled at the Republican primary, and he drew the deduction that this would be the proportion when the votes were counted in November. Personally, Mr. Ling declared he was a friend of Ralph Cameron and liked him, but he was in such only company that he would be obliged to leave him alone. In closing he urged all to support the entire ticket and roll up a big majority.

Nominations for temporary secretary being in order, Joan Robinson named Wm. Stevens of Camp Verde, and it was seconded by Jim O'Brien. The nominee was elected by acclamation and assumed his duties, blushing with pride at the honor bestowed upon him.

Upon motion of W. M. Seaman of Jerome, the chair appointed the following as a Committee on Credentials: W. M. Seaman, C. J. Kimball, A. K. Lillie, P. G. Wren and M. J. Enright.

M. G. Burns of Humboldt moved that the chair appoint all committees, and there being no opposition from the chair or anyone else on that point, the following committees were named: Platform and Resolutions—M. G. Burns, M. G. Cunniff, Dr. Southworth, Chas. Lynch and Lou Murphy.

Order of Business—G. C. West, D. C. Thorne, Dr. Sweetnam, J. A. Tovrea and M. T. Broaded.

On County Central Committee—Ed.

Shumate, J. L. Munds, L. A. Willard and A. H. Lyons.

Thoroughly the convention then proceeded to violate the law which specifies that a convention shall not adjourn for more than two hours at a time. It was 11 o'clock when the convention decided to adjourn until 1:30 o'clock, and it was 2:10 when it re-convened.

Afternoon Session.

The report of the Credentials Committee raised a row. It named C. Andrie, who held the proxy of G. Fred Daugherty of Sycamore precinct. Andrie arose to his feet and charged that he was motivated because he had declared he would not support Neagle for the nomination of sheriff, and asked if that was a square deal. The convention evidently thought it was and accepted the committee's report. Later on, it thought better of the matter and Mr. Andrie was allowed to retain his seat. The committee's report showed that there were 106 delegates present or represented by proxy, they being as follows:

The report of the committee on Permanent Organization, which was adopted, made the temporary officers permanent and defined the order of business.

The report of the Platform Committee was also adopted and its reading evoked considerable applause, although it is largely copied from the territorial Republican platform. It is as follows:

The Platform.

We, the Democrats of Yavapai county, in convention assembled, pledge our entire faith in the principals adopted by the National and Territorial conventions of the Democratic party.

We take pride in our standard bearers, William Jennings Bryan and John Worth Kern and promise them such support as we citizens of Arizona, kept disfranchised in National affairs by a Republican administration, can render them.

We enthusiastically endorse Marcus A. Smith, our candidate for Delegate

to Congress, and recognize that his candidacy grows stronger with every assault made on it by Republican opponents. We shall heartily cooperate in the successful campaign now going on that will inevitably result in his election.

We had with satisfaction the approaching fraction of the consistent of force made by the people of Arizona for statehood, in which Marcus A. Smith has been our foremost fighter. And we believe that Marcus A. Smith, that sturdy fighter of the past, can to day do more to hasten statehood than any other man.

We call attention to the fact that all the measures of immediate importance to our citizens introduced in the Territorial Legislature were passed by a Democratic assembly, and that several of these measures, notably the one to establish a Pioneer's Home and regulate measures affecting corporations, were defeated by a Republican Council or vetoed by a Republican governor.

We consider that the Republican administration of county affairs has been costly without being effective. We pledge our candidates for supervisor to call for bids on county work instead of giving contracts by the appointment of favored recipients. We pledge that they will not accept employment from contractors to whom they have given contracts, and we demand that they pay all county obligations in the supervisors' office.

We further pledge our candidate for the office of district attorney to conduct the office in person and not by deputy and with no corporation, political or personal bias.

We encourage the investment of capital in Yavapai county. We promise all corporations equal rights with citizens, but demand that they shall have no special privileges. We instruct our candidates for both houses of the Territorial Legislature to use all efforts to enact measures controlling and regulating mining and other corporations organized in Arizona, to the end that the public be assured of the legitimacy of such corporations, their purposes, and their methods.

We further instruct our candidates for both houses in the Legislature to enact measures preventing exorbitant or discriminating railroad freight and passenger rates within the Territory and compelling Arizona railroads to furnish sanitary and efficient services. We favor the establishment of a Territorial Railroad commission to furnish the public and for public officers with reliable information on which to base sound regulation. We also favor the regulation of telephone, telegraph and express rates throughout Arizona.

We favor the enactment of a direct primary law.

We favor the abolition of the Arizona rangers and demand that all police matters be left to the counties and that Yavapai county appoint properly compensated police officers in all districts requiring them.

Though favoring the preservation of our natural resources, a policy inaugurated by a Democratic President, we point out that the present administration by Republican appointees works hardship to legitimate industry, and we demand that the Forest Service be more competently administered, with more attention to local needs and conditions. We urge the reduction of the tax rate rather than the erection of a new county court house.

Good roads are pressing needs of Yavapai county and of the whole Territory. We urge our candidates for the Legislature to do all in their power to promote good roads throughout the Territory. We commit our candidates for supervisors to a policy of road extension for the good of the whole county and of building roads in a manner to render them permanent, instead of following the present wasteful policy of building roads only to have them wash out again. We recommend that all roads be laid out by the county surveyor.

The Democratic party has ever been called the friend of labor. It is responsible for the eight-hour law now prevailing in Arizona. It stands firmly against the abuse of the court process of injunction, and will do everything possible to discourage, curb and abolish these abuses. We favor all measures giving labor its due rights, and we are opposed to the use of convict labor in competition with free laborers.

We commend our principles and our candidates to all citizens of Yavapai county.

The adoption of the report of the committee made the following persons members of the County Central Committee, and also named the Executive Committee: W. J. Mulvenon, W. H. Seeman, C. P. Hicks, Wm. Stevens, H. Robinson, L. A. Willard, J. H. Foley, Burt Davis, J. R. Beatson, A. E. Moore, H. K. Behn, J. P. Dillon, J. C. Tovrea, Geo. Morris, R. W. Bullard, John Stevens, T. Ackard, Tom Taylor, Ben Belcher, Geo. C. West, Reese Ling, F. S. Dickerson, J. J. Hawkins, J. J. Cavanaugh, Jas. O'Brien, Lester Ruffner, C. J. Kimball, Joe Rhydy, Jack Nelson, o/e Drew, J. W. Stewart, John A. Twigg, M. G. Cunniff, Chas. Lynch, Phil Pecherich, Dr. Looney, M. Enright, M. Darnall, Chas. Coulson, Geo. H. Francis, S. A. Prince.

Executive Committee—W. J. Mulvenon, W. H. Seeman, C. P. Hicks, Wm. Stevens, J. H. Robinson, L. A. Willard, A. A. Moore, H. K. Behn, J. P. Dillon, J. C. Tovrea, Geo. Morris, R. W. Bullard, John Stevens, Tom Taylor, Ben Belcher, Geo. C. West, F. S. Dickerson, J. J. Hawkins, Jon O'Brien, Lester Ruffner, J. W. Stewart, Chas. Lynch, Phil Pecherich, Dr. Looney, M. Enright, Geo. H. Francis, S. A. Prince, R. M. Ling. The Executive Committee was invested with all the powers of the Central Committee and authorized to fill any vacancies that may occur on the ticket.

The Nominations.

Nominations now being in order, Judge McPhee and L. A. Willard were appointed to distribute and collect the ballots, and Chas. Lynch and Geo. West named to act as tellers, with J. P. Behn as assistant secretary.

For Councilman.

For the council, Dr. Southworth named C. D. Rutherford, an attorney of Jerome, and Mike Enright nominated M. G. Burns of Humboldt. Burns won by a vote of 66 to 38, and promised in a speech that he would work to his own credit and the satisfaction of the delegates.

For Representatives.

There were three names to be selected as candidates for the house of representatives, and P. S. Wren set the ball rolling by nominating A. A. Moore of Walnut Grove; Judge McPhee placed the name of Dennis A. Burke before the convention. A. A. Moore performed a like service for Monte Broaded of Prescott, M. G. Cunniff was sponsor for Perry Hall of McCabe, and M. G. Burns pleaded the cause of Charles Lynch of Jerome. The latter declined but the convention would not accept his refusal. Homer Hixson and C. J. Kimball were also nominated. One ballot settled this contest, the result being as follows: Moore 75, Hall 74, Lynch 56, Kimball 43, Broaded 37, Burke 15, Hixson 3.

Sheriff and Treasurer.

As was predicted, W. M. Neagle won on the first ballot for sheriff, the vote being: Neagle 67, Merritt 31, Foley 7. A. J. Herndon was nominated by acclamation for treasurer, and declared that if he ever ran again for office, the delegates could use his head for a football.

Recorder and District Attorney.

The fight for recorder was the closest of the day. M. J. Bradley named P. J. Keohane, and Mike Enright submitted the name of Theo. Wade of McCabe. The latter won by a vote of 56 to 48.

For district attorney, A. E. Blackburn named R. P. Talbot and Judge McPhee nominated H. D. Ross. The latter had an easy victory, the vote being 63 to 38.

Probate Judge.

Charles Hicks had a narrow escape from defeat, as J. E. Russell, a young attorney of Prescott had made a good fight among the delegates and only lost by a margin of ten votes, the result being 56 to 46.

J. B. Jolly and Park Latimer were nominated by acclamation respectively for the offices of superintendent of schools and county surveyor.

There were ten aspirants for the job of supervisor and it required three ballots to determine a choice of the two nominees. On the first ballot the vote was: J. W. Stewart 51, J. C. Stephens 37, Jesse Robeson 12, Chas. Colquitt 20, P. S. Wren 24, J. J. Ehle 1, Robert Campbell 7, Kennos Thompson 27, Al Vroom 1, Homer Hixson 4, Campbell then withdrew and on the second ballot Stephens gained 11 votes, Robeson lost 7, Colquitt lost 6, and Wren gained. Ehle, Robeson and Vroom withdrew and on the final ballot the result was: Stewart 59, Stephens 53, Colquitt 2, Wren 27.

During this contest the chair made an appeal for funds for the Bryan club and a few delegates responded.

The Prescott delegates caucused and returned with the nominations of C. H. McLane and P. J. Keohane for justices of the peace and S. A. Prince and Monte Broaded for constable.

Last night the nominees held a meeting and re-elected J. H. Robinson as chairman of the executive committee, with George Morris as secretary.

Lynch Withdraws.

Charles Lynch of Jerome announced last night that he would not accept the nomination for representative to the legislature. He declined in the convention but was nominated nevertheless. Mr. Lynch says that he cannot spare the time from his business.

MANILA, Oct. 4.—For twenty-four hours ending at eight o'clock this morning, five new cholera cases were reported, three only suspects. There was one death.

THE BISBEE BRYAN CLUB WRATHY GIVES UP TO GHOST

BISBEE, Oct. 5.—The Bryan Club of this city has given up the ghost the doors of its headquarters. It started in with a strong membership but when the members realized that it was simply intended to be used as an organization to assist Mark Smith, they declined to pay their dues and as a result the club is virtually a thing of the past.

Bisbee, which has always been regarded as an impregnable fortress for Mark Smith, is going to create the biggest political sensation of the campaign. A secret poll taken last week of the Miners' Union revealed the astonishing fact that Cameron will get 15 per cent of the votes, that Cannon will poll 8 per cent, that the Independence League candidate, W. B. Cleary, is favored by 4 per cent, and that Mark Smith will get what is left. It was reported tonight that the Copper Queen people and others backing Smith have become so desperate over the outlook that they are colonizing Santa Cruz and southern Cochise with Mexicans from Cananea. While this rumor at present is not verified, the registration indicates it and Hoval A. Smith, chairman of the territorial Republican central committee, is investigating the matter.

A poll taken at Tombstone shows that Cameron will carry the camp by a larger majority than was predicted a week ago.

In Gila county it is declared that the defection from Smith is amazing, and it is accounted for because of the sentiment which is rapidly gaining ground that is opposed to giving any man a lifetime political job. The above facts as to Smith's waning popularity in Bisbee come from a Democratic source, and therefore are not likely to be exaggerated. They leaked out today following a conference of Democratic leaders who gathered to discuss the situation and plan to save their standard bearer from what now seems to be certain defeat.

GEM MINE BEGINS ORE SHIPMENTS AT GLOBE

GLOBE, Oct. 3.—"The Gem vein is seven feet wide today, and will average six per cent or better in copper. It is the finest looking breast of sulphide ore you ever saw," said Manager McCarthy of the Globe Consolidated, today.

Mr. McCarthy is the best pleased man in Globe, and he has reason to be, for the improvement in the Globe Consolidated during the last few weeks has been greater than in any other mine in the district. The success of the Gem mine has been placed beyond doubt by the developments of the last few days in the west drift on the 12th level. It will be remembered that the Gem vein where intersected by the main crosscut is only three feet wide, and carries 3 per cent copper. A week or ten days ago a small stratum of chalcopryite appeared and gradually increased in width until it involved the entire vein, which has also widened from three to seven feet. The latest assay gave 6.5 per cent copper, 28 per cent iron, and 35 per cent sulphur. "You can also announce," said Manager McCarthy, "that we will commence shipping ore to the Old Dominion smelter today. In fact we began loading the first car yesterday. The Future Copper vein is looking good, too; the ore goes 24 per cent copper, 38 per cent iron and 44 per cent sulphur." Which is probably the best sulphide for the production of blister copper yet developed in the district.

Nothing was said about the tonnage to be shipped; that will no doubt be determined after several cars have been shipped and it has been ascertained the amount of ore that can be gotten out and loaded to best advantage. As the Gem vein has been opened in many places by crosscuts and by drifts several hundred feet long, and the Future Copper vein for a length of 1100 feet, it would seem that Globe Consolidated should be able to ship a fairly large tonnage of ore.

At any rate, Globe Consolidated, having once become a shipper, will in all probability continue, with a gradually increasing output, until it ranks among the important copper producers of Arizona.

DEPARTMENT OF THE INTERIOR

Office of U. S. Surveyor-General, Phoenix, Arizona, September 30th, 1908. Sealed proposals will be received at this office until 12 o'clock, noon, October 19th, 1908, for running, measuring and marking, according to law and instructions, the following described surveys, to-wit: The 4th & 5th N. through R. 18 W.; the N. & E. bds. of T. 17, 18, and 19 N., 18 W.; the E. bdy. of T. 20 N., 18 W.; the N. and W. bds. of T. 17, 18, and 19 N., 19 W.; the W. bdy. of 20 N., R. 19 W.; together with 6 subdivisions of T. 17, 18, 19 N., 20, and 21 N., R. 18 and 19 W., S. R. B. & M., Arizona. Probable surveys and retracements of townships, 24 miles. Estimated number of miles: Standard lines, 6 miles; Township Extenters, 84 miles; subdivisions of township extenters, 2 miles; total mileage 714 miles. The liability of "Contracts" embracing these surveys must not exceed \$13,000.00. Bids must be stated at prices per mile for each and all of the above classes of surveys and no bid will be considered where the price exceeds \$20.00 per mile for subdivisional and connecting lines, \$23.00 for township and range lines, and \$25.00 for standard and meander lines. Rate of mileage in excess of the minimum (\$9, \$7, and \$5) for the survey of these lines will only be allowed under statutory stipulations as to the class and character of lines. Bids shall state specific minimum, intermediate and maximum rates for each of the three classes of surveys above mentioned. Where, owing to the character of the country to be surveyed, exceptional difficulties are to be encountered by the surveyor and rates of mileage in excess of the intermediate (\$13, \$11, and \$7) must be paid in order to secure the execution of the surveys, bids must be submitted for, first, minimum rates, not to exceed \$9, \$7, and \$5; second, intermediate rates, not to exceed \$13, \$11, and \$7, applicable to lands heavily timbered, mountainous or covered with dense undergrowth but not exceptionally difficult to survey and, therefore, not entitling the deputy to rates in excess of the intermediate (\$13, \$11, and \$7); third, the rates per mile for different classes of lines in excess of the intermediate rates (\$13, \$11, and \$7) and not in excess of the special maximum rates (\$25, \$23, and \$20.) Exceptional difficulties must prevail in order to entitle a surveyor to any rates in excess of the intermediate (\$13, \$11, and \$7). All bids must be made in writing, sealed and marked "Proposals to execute Government surveys described in Notice No. 6, dated September 30th, 1908." A copy of "Invitation for Proposals to Execute" these surveys can be had upon application thereto to this office. Bids must be submitted in duplicate. Only responsible, reliable, and competent surveyors will be employed, who must execute their surveys in THEIR OWN PROPER PERSONS, and will be required to give bond in double the estimated amount of the liability of Contract in each instance. The right is reserved by the office to reject any and all bids. No Contract will be binding on the part of the United States until approved by the Commissioner of the General Land Office, Office of U. S. Surveyor-General, Phoenix, Arizona, September 30th, 1908. FRANK S. INGALLS, U. S. Surveyor-General. (W) First pub. Oct. 7-14.
